ADICHUNCHANAGIRI UNIVERSITY

History: Adichunchanagiri University is a beacon of knowledge and enlightenment nestled in the serene landscapes of Karnataka, India. Our journey, rich in tradition and innovation, is a testament to our commitment to excellence in education and research.

The Foundation: A Visionary Beginning The seeds of Adichunchanagiri University were sown by the spiritual and visionary leadership of the Jagadguru Sri Sri Sri Dr. Balagangadharanatha Maha Swamiji of the Adichunchanagiri Math. His dream was to create a center of learning that not only imparted education but also preserved and promoted the cultural and spiritual heritage of India.

In the late 20th century, this vision began to materialize as the Adichunchanagiri Math initiated educational endeavors, starting with schools and colleges in rural areas, to bring education to the doorstep of the common man.

“Sa Vidya Ya Vimuktaye – that which liberates is Knowledge”
Adichunchanagiri University in India stands out for its extensive range of programs in the Faculty of Medical & Allied Health Sciences, Faculty of Pharmacy, Faculty of Nursing, Faculty of Engineering, Management & Technology, Faculty of Humanities and Social Sciences, and Faculty of Natural Sciences, emphasizing both academic excellence and ethical values. Equipped with advanced facilities, the university is deeply committed to community service and holistic development. This approach not only enhances academic skills but also cultivates personal and leadership qualities, significantly enriching the region’s intellectual and social fabric.
